The screenshot shows the ESPN website at <https://www.espnqa.com>. The user menu is open, displaying options like 'Favorites', 'Manage my: Subscriptions', 'TV Provider', 'Video Settings', and 'Log In'. The DevTools Elements panel is open, showing the HTML structure of the user menu. The 'Log In' link is highlighted with a yellow box. The CSS panel shows the styles for the 'global-user-trigger' element.

```
<div class="global-user"><li><a href="#" id="global-user-trigger" data-behavior="favorites_mgmt">Log In</a></li></div>
```
